Installation and Maintenance

All installations in accordance with local standards and Altro Transflor installation instructions.
Joints - all heat welded. Subfloor and adhesives - as recommended in Altro Transflor installation instructions or visit www.altrotransflor.com.

Note: Failure to install and maintain Altro flooring in accordance with 'Altro Transflor installation instructions' can affect its performance and slip resistance. Floors should be protected from other trades and thoroughly cleaned before handover.

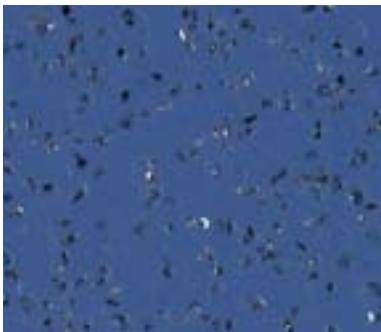

*Caution Ketone/Aromatic Solvents. Please contact Altro for further technical advice regarding staining and chemical resistance. Altro Transflor are not recommended for areas where lighted cigarette ends are likely to be left or trodden into the floor.
